About ENZYM MEDICAL

To effectively serve all of the specialized and diverse needs of the healthcare sector, while conducting to our customers

ENZYM strives to provide value products and differentiated healthcare solutions to patients and other stakeholders

To improve the quality of life of our people, customers & society and to be a preferred partner of choice to all stakeholders

Founded in 2016 holds a pioneer position as a major distributor in the UAE and ME market and still passionate for more successes and achievements.

Has been an active partner in the advancement of healthcare in the UAE and MEA through representing manufacturers, many of which have market leading positions and products.

ENZYM has always secured top scores and was awarded by its principals and local regulatory bodies for best achievements. Has always adopted to changing market conditions and implemented different sales and service initiatives to cope with market dynamics.

We drive focus and deliver profitable growths by allocating the right resources to every product lines regardless of the volume.

Quality is our culture and promise and we always deliver on our promise.

We aim to always retain our employees and compete with other employers to the lowest turnover in UAE.
